All plastic bags and styrofoam should be disposed of in the garbage.

## RECYCLING GUIDE

Two bins are marked for glass bottles, plastic food containers and tin cans.

Light bulbs, dishes, drinking glasses, window glass or mirrors, empty motor oil bottles, empty chemical containers, empty paint containers, empty antifreeze jugs, large plastic objects, siding or pipe, or spray paint containers are not recyclable – these items should be disposed of in the garbage.

Pots & pans, wire (coat hangers), car parts or other metals go in the metal bin.

Two bins are marked for newspapers, magazines, books and clean flattened cardboard.

Other recyclable objects include soda & beer cans, tires (without the rims – 4 per month).

Sofas, refrigerators, ovens, microwaves, washers, dryers, hot water heaters can also be disposed of.

The staff will help you with any questions!!
