RE: Public Involvement Meeting
WIS 20 (Washington Ave) Resurfacing
From WIS 36 to US 45 South
Town of Dover, Racine County
Project I.D. 2340-10-00

Dear Local Official:

The Wisconsin Department of Transportation (WisDOT) Southeast Region office in Waukesha is holding a public involvement meeting to discuss the location, design and environmental aspects of proposed improvements on WIS 20 from WIS 36 to US 45 south in Racine County. You have received this invitation because you own or reside in a property near this highway corridor and your input is important to project development.

Meeting Details

When: Tuesday, January 21, 2020 from 4:00 – 6:00p.m.

Where: Yorkville Elementary School, 18621 Washington Avenue, Union Grove, Racine County

We encourage you to attend the meeting with any questions or concerns that may assist in the development of this project. Maps and other materials describing the project will be on display and WisDOT representatives will be available to discuss the project on an individual basis. This meeting will be in an open house format.

The WisDOT preferred improvement alternative is a resurfacing treatment with intersection improvements. Mainline pavement will receive a 2 1/2-inch mill and 4-inch Hot-Mix-Asphalt (HMA) overlay. Other work will include spot full-depth repairs, base patching, culvert repairs, intersection improvements at US 45 north (possible signal or roundabout), application of a High Friction Surface Treatment (HFST) on the horizontal curve at County D, signing, marking, and minor geometric improvements. Construction is anticipated to be in 2024.

The meeting facility is wheelchair accessible. Deaf or hard of hearing persons needing assistance may contact Julie Jenks, WisDOT Project Manager, via the Wisconsin Telecommunication Relay System (dial 711). To allow time for arranging assistance, please call no later than three working days prior to the meeting.

For additional information about the proposed improvements, please contact the WisDOT project manager, Julie Jenks at (262) 548-6462 or Julie.Jenks@dot.wi.gov.

Sincerely,

Julie Jenks
