Message Body:

I am out of town but wish to express my feelings regarding this permit. I am complete against this idea. There were events last summer at this location and the music was extremely loud and there was way too much traffic. I like to ride my bike on the weekends and would not feel safe doing so with a lot of traffic. Also, last year the music was so loud that I had to close my windows. Even then, I could still hear the music.
Please do not grant permission for the permit.

Thanks
