To Shawn Maiter:

Please accept this application to collocate AT&T's telecommunication facility on the existing tower at 16436 50th Road. The site is zoned A-2 Agricultural Use, with an existing telecommunication tower on the site; no change of use is proposed; our application proposes to collocate AT&T's telecommunication facility on the existing 190' tower at the 170' rad height. The existing tower height will not be increased; ground work is contained within the existing compound and includes installation of a cabinet and standby generator. See construction drawings, structural analysis, and mount analysis - all included in this application - for complete scope of work.

Should you have any questions, please contact me at 630-504-9419 or [matthew.fitzgibbon@mastec.com](mailto:matthew.fitzgibbon@mastec.com).

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew Fitzgibbon".
