Village of Yorkville

Dear Village of Yorkville:

We are seeking a conditional use permit to house two commercial dump trucks inside our existing pole barn. The first is a 2016 Kenworth T800 quad axle and the second is a 2005 Kenworth W900 quad axle. Myself and Jacob Kramsky are the sole owners and operators of the vehicles. We do not and will not have any employees. The hours of operation of the trucks will be 6:30am- 7:30pm and they will then be stored inside.

Sincerely,

**Joshua Kramsky**

Enclosure
