To Whom It May Concern:

Please find enclosed site plan review application materials submitted on behalf of the Village of Yorkville and the Yorkville Sewer and Water Commission for proposed improvements to the Village's existing water tower site located at 1400 Grandview Parkway. This project is scheduled to begin in late 2024 and end by December 2025, and includes the following improvements:

- Construction of a new redundant water production well (Well #2)
- Installation of raw water main infrastructure and appurtenances
- Installation of process piping, valves, and a meter
- Electrical and controls improvements
- Installation of a new backup generator
- Miscellaneous site restoration

Please feel free to reach out to me if you have any questions.

Thank you,

Michael McKinney  
Administrator
