- (i) *Revision fee.* The fee for the county to review and approve a minor private sewage system plan revision shall be **fifty dollars (\$50.00)**. A minor plan revision is defined as any revision that the State of Wisconsin allows a county to authorize without the applicant paying the state revision fees. In addition, the fee for a revision to a permit that will involve a change in number of components or system type shall be **thirty dollars (\$30.00)** plus any difference in the sanitary permit fee if the change increases the fee.
- (j) *Groundwater surcharge.* Pursuant to the 1983 Wisconsin Act 410 (Groundwater Protection Law), every sanitary permit for a private sewage system shall be assessed a **seventy-five-dollar (\$75.00)** surcharge fee.

## 2025 Racine County Development Services Department Fee Schedule – Village of Yorkville

### Sanitary Fee Schedule (cont.)

- (k) *Soil evaluation on-site fee.* The fee charged for County on-site verification of up to three soil pit/boring profile evaluations per lot shall be **seventy dollars (\$70.00)** plus **fifteen dollars (\$15.00)** for each additional profile conducted on the same lot. This fee is due at the time that the soil on-site is conducted. The fee will not apply to subdivision/condominium plat sites that will be assessed a separate fee in (q) below when the County chooses the sites to look at. The fee will also not apply to other County requested on-sites or County determinations of failing POWTS.
- (l) *Double permit fee.* A double sanitary permit fee shall be charged if any construction requiring a sanitary permit begins on a private sewage system or non-plumbing sanitation system prior to the issuance of a County sanitary permit. Such double fee shall not release the applicant from full compliance with nor prosecution from a violation of Chapter 19, Racine County Code of Ordinances.
- (m) *Groundwater/soil saturation monitoring on-site fee.* The fee for the County to conduct an on-site observation verification for groundwater/soil saturation monitoring is **twenty dollars (\$20.00)** per monitoring well and is due prior to the start of the monitoring season.
- (n) *Appeal request fee.* The fee for a County Sanitary Board of Appeals request shall be **four hundred dollars (\$400.00)**.

\* The Village does not directly employ professional staff, such as planners, legal counsel, and engineers, but rather pays for such services on an as-needed basis. The zoning, land division and comprehensive plan amendment process requires the involvement of such professionals to advise the Village as to the appropriate scope of a proposed division. Since the Village must incur outside fees to review land division applications, applicants must agree to reimburse the Village for such fees and must also post a deposit from which such fees can be paid. The Village's professional fees are passed through to the applicant without any upcharge. When multiple applications are made, the escrow amounts shall be combined under one Predevelopment Reimbursement Agreement and shall be paid in an amount based upon the sum of all applicable escrow amounts due.
